Dear Arizona Corporation Commission Members:

Kristen K. Kennedy, Chair
Sandra D. Kennedy, Commissioner
Paul Newman, Commissioner
Gary Pierce, Commissioner
Bob Stump, Commissioner

The Association for Supportive Child Care (ASCC) supports Community Information & Referral's (CIR) request to the Arizona Corporation Commission that the Commission establish CIR as the lead Statewide 2-1-1 provider entity offering public access to health and human services through its established information and referral service infrastructure.

In every community service needs assessment conducted, the need for a single number to call for access to information about and referrals to available community resources is identified as one of the most important community needs, if not the primary need.

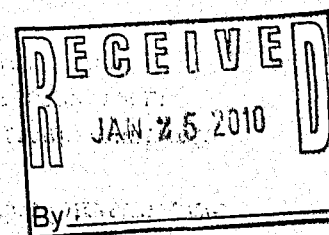

Having the availability of the easy to remember three-digit 2-1-1 telephone number to access information about and referrals to health and human services will help people in need find available social service programs that can meet that need. Utilizing Community Information & Referral, Inc., an existing, experienced, and respected 45 year old non-profit community-based organization will make a great use of scarce resources.

We at ASCC support that CIR be designated the Lead 2-1-1 Entity in Arizona by the Arizona Corporation Commission.

Sincerely,

Susan Wilkins
